

REMARKS

Claims 33-54 are pending in the present application. Applicants request reconsideration and allowance of the claims. No claims are amended.

Rejection of Claims 33-54 Under Judicially-Created Doctrine of Obviousness-Type Double Patenting

The Examiner has rejected claims 33-54 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-11 of U.S. Patent No. 6,662,161. Applicants therefore submit a Terminal Disclaimer to obviate this rejection. Accordingly, Applicants request that this rejection be withdrawn.

CONCLUSION

Having addressed the rejection of the claims, Applicant respectfully submits that the subject application is in condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,

Date: March 3, 2006
